

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The instant Examiner's amendment is necessitated by an oversight in the previous Office action. Claim 4 is substantially duplicative of claim 1 after the amendment of 08 March 2010. Claim 4 was supposed to have been canceled in the previous Examiner's amendment but was omitted by mistake.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Cunningham on 10 June 2010.

The application has been amended as follows:

In the Claims:

Please cancel claim 4.
